

Acme Home Devices Limited Warranty

Acme Home Devices is a fictional company used for demonstration purposes.

Coverage

All Acme devices come with a two-year limited warranty from the date of purchase. The warranty covers defects in materials and workmanship under normal use.

The warranty does not cover accidental damage, water damage, normal wear and tear, cosmetic scratches, or damage caused by unauthorised repairs or modifications.

Making a warranty claim

To make a warranty claim, contact support with your order number, the device serial number, and a short description of the problem. We may ask for photos or a video of the fault.

If the claim is approved, we will repair or replace the device at no cost, including shipping. Replacement devices are covered for the remainder of the original warranty period.

Extended warranty

Customers on the Acme Protect Plus or Pro plan receive an extended warranty of three additional years on all registered devices.
